

Islip, NY – Islip Town Supervisor Phil Nolan (center) recently attended a picnic to celebrate the elderly and family residents of Penataquit Village in Bay Shore.

The annual event was hosted by the Town of Islip Housing Authority, which provides affordable homes to those who are eligible. Penataquit Village is just one of five public housing communities provided by the Housing Authority.”

“I’m proud of the work that the Housing Authority does,” said Supervisor Nolan. “They provide good homes for the good people that deserve them.”
